

Scholarship Opportunities and Contract

Service hours help contribute to being able to attend things like Church Camp, Trek-Ascend and Mission Trip. To be able to gain a scholarship to these events there are requirements: you must perform service hours with the church to gain a scholarship. Every 1 hour is worth \$20, so to be able to get fully funded with scholarships for camp you must complete 10 hours of service. We offer scholarships up to \$250 maximum, as stated in the Youth Group Handbook. We will allow you to continue to gain service hours even after the event for special circumstances.

Service Opportunities

Here are some upcoming events to gain service hours.

- VBS- decorating workdays and serving as a leader. (Not applicable for Mission Trip Hours)
- Every Thursday (except for camps and mission trip week) we will be having a service day 10am – 12pm (followed by lunch and Mission Trip prep). So make sure to get a youth calendar or check at Crosstownfamily.org. Get all reminders of all youth events and service opportunities by using the Remind APP following class @student-ct or being just a part of the text system, simply text @student-ct to number 81010.
