

# **I Was Blind But Now I See**

**John 9**

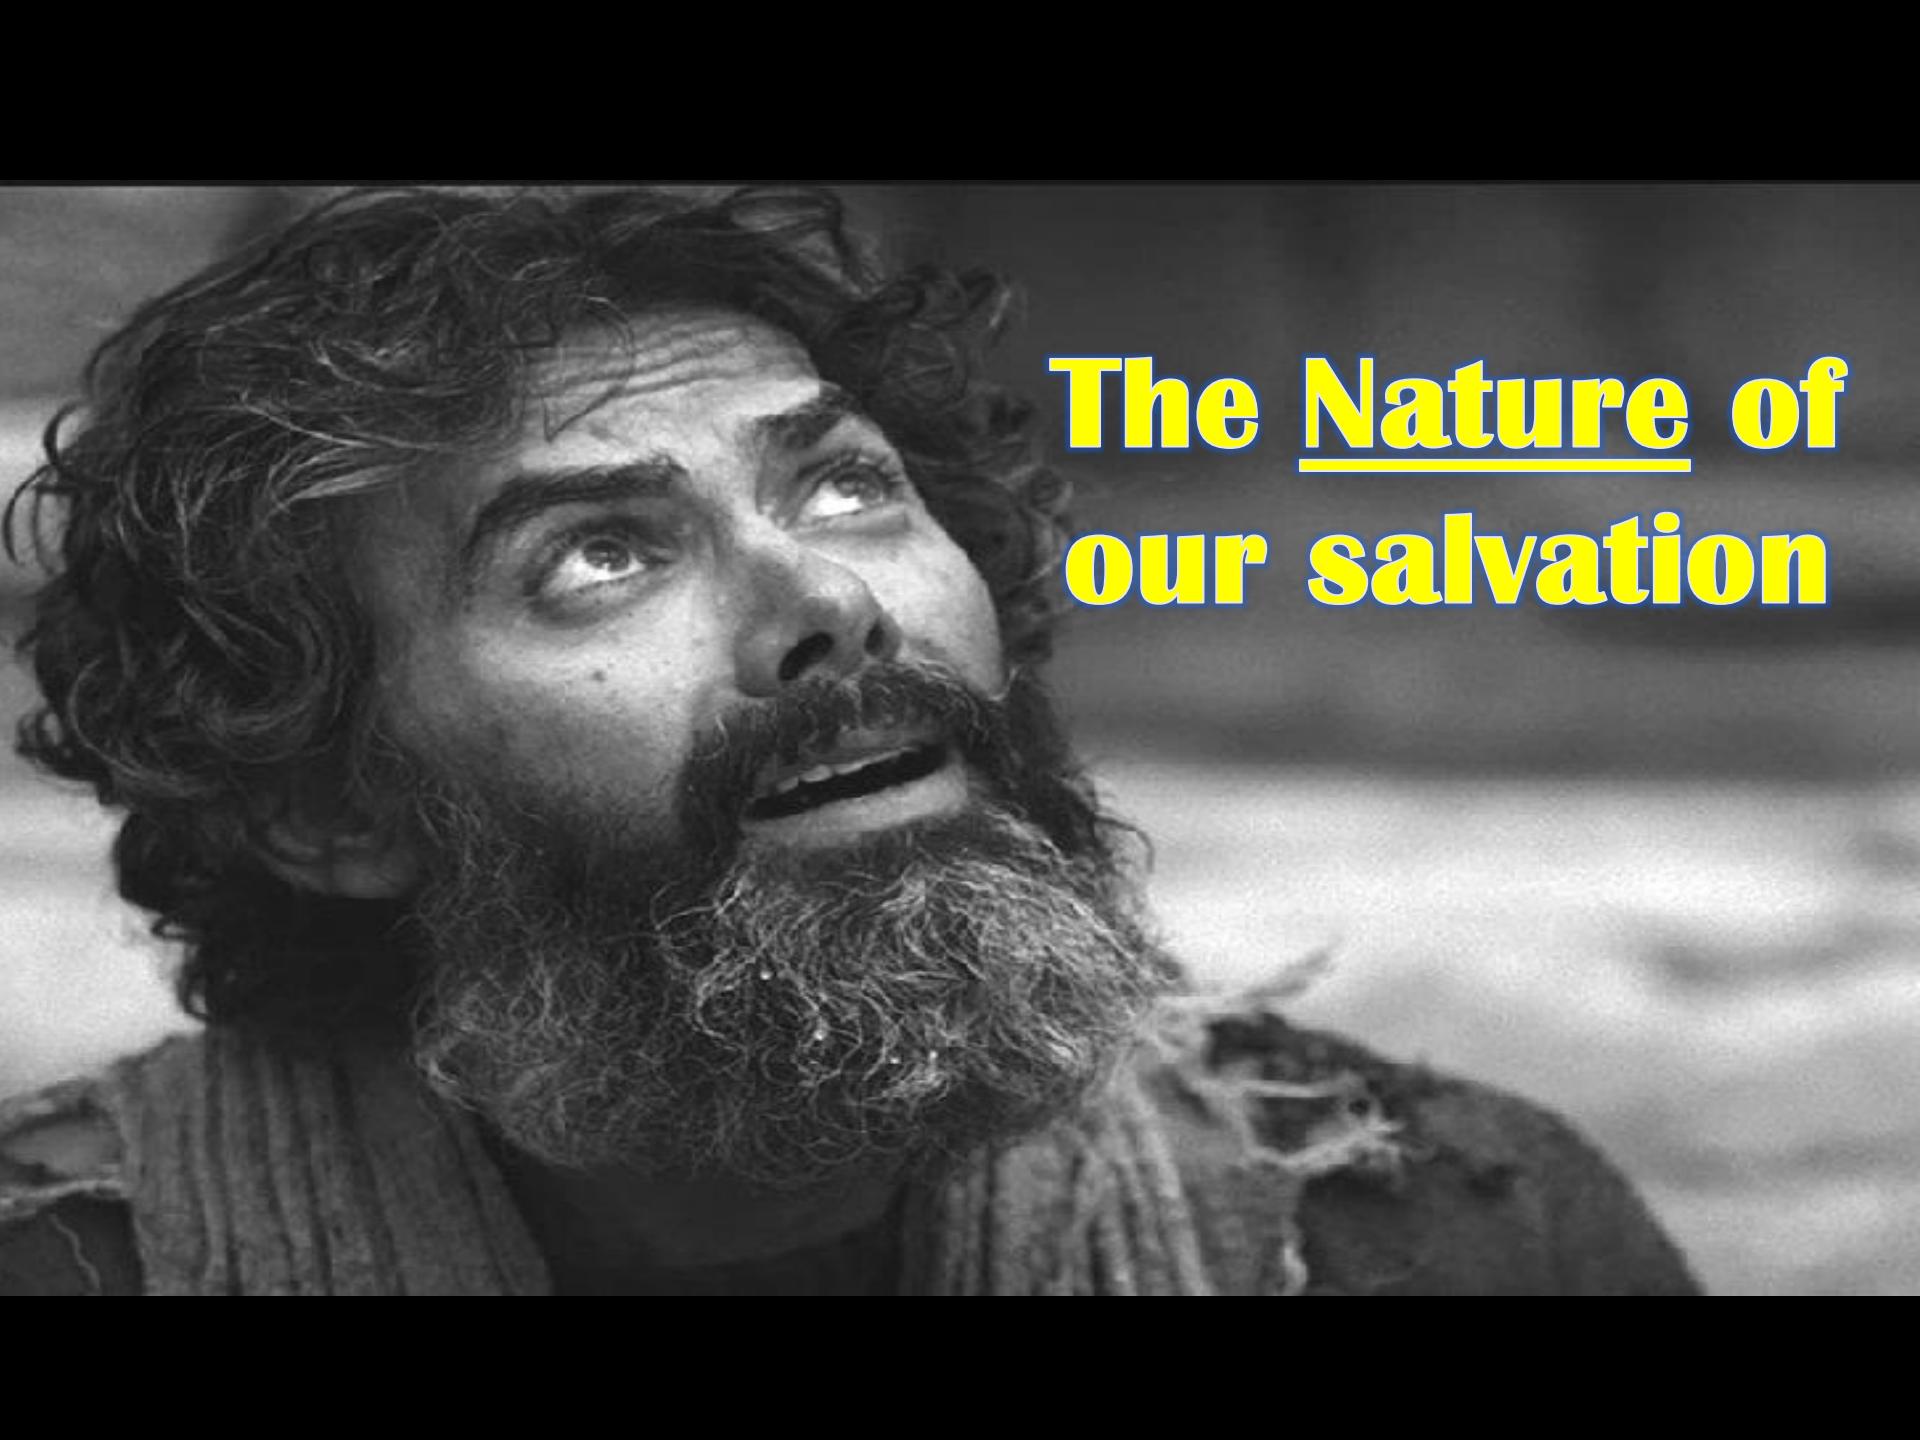

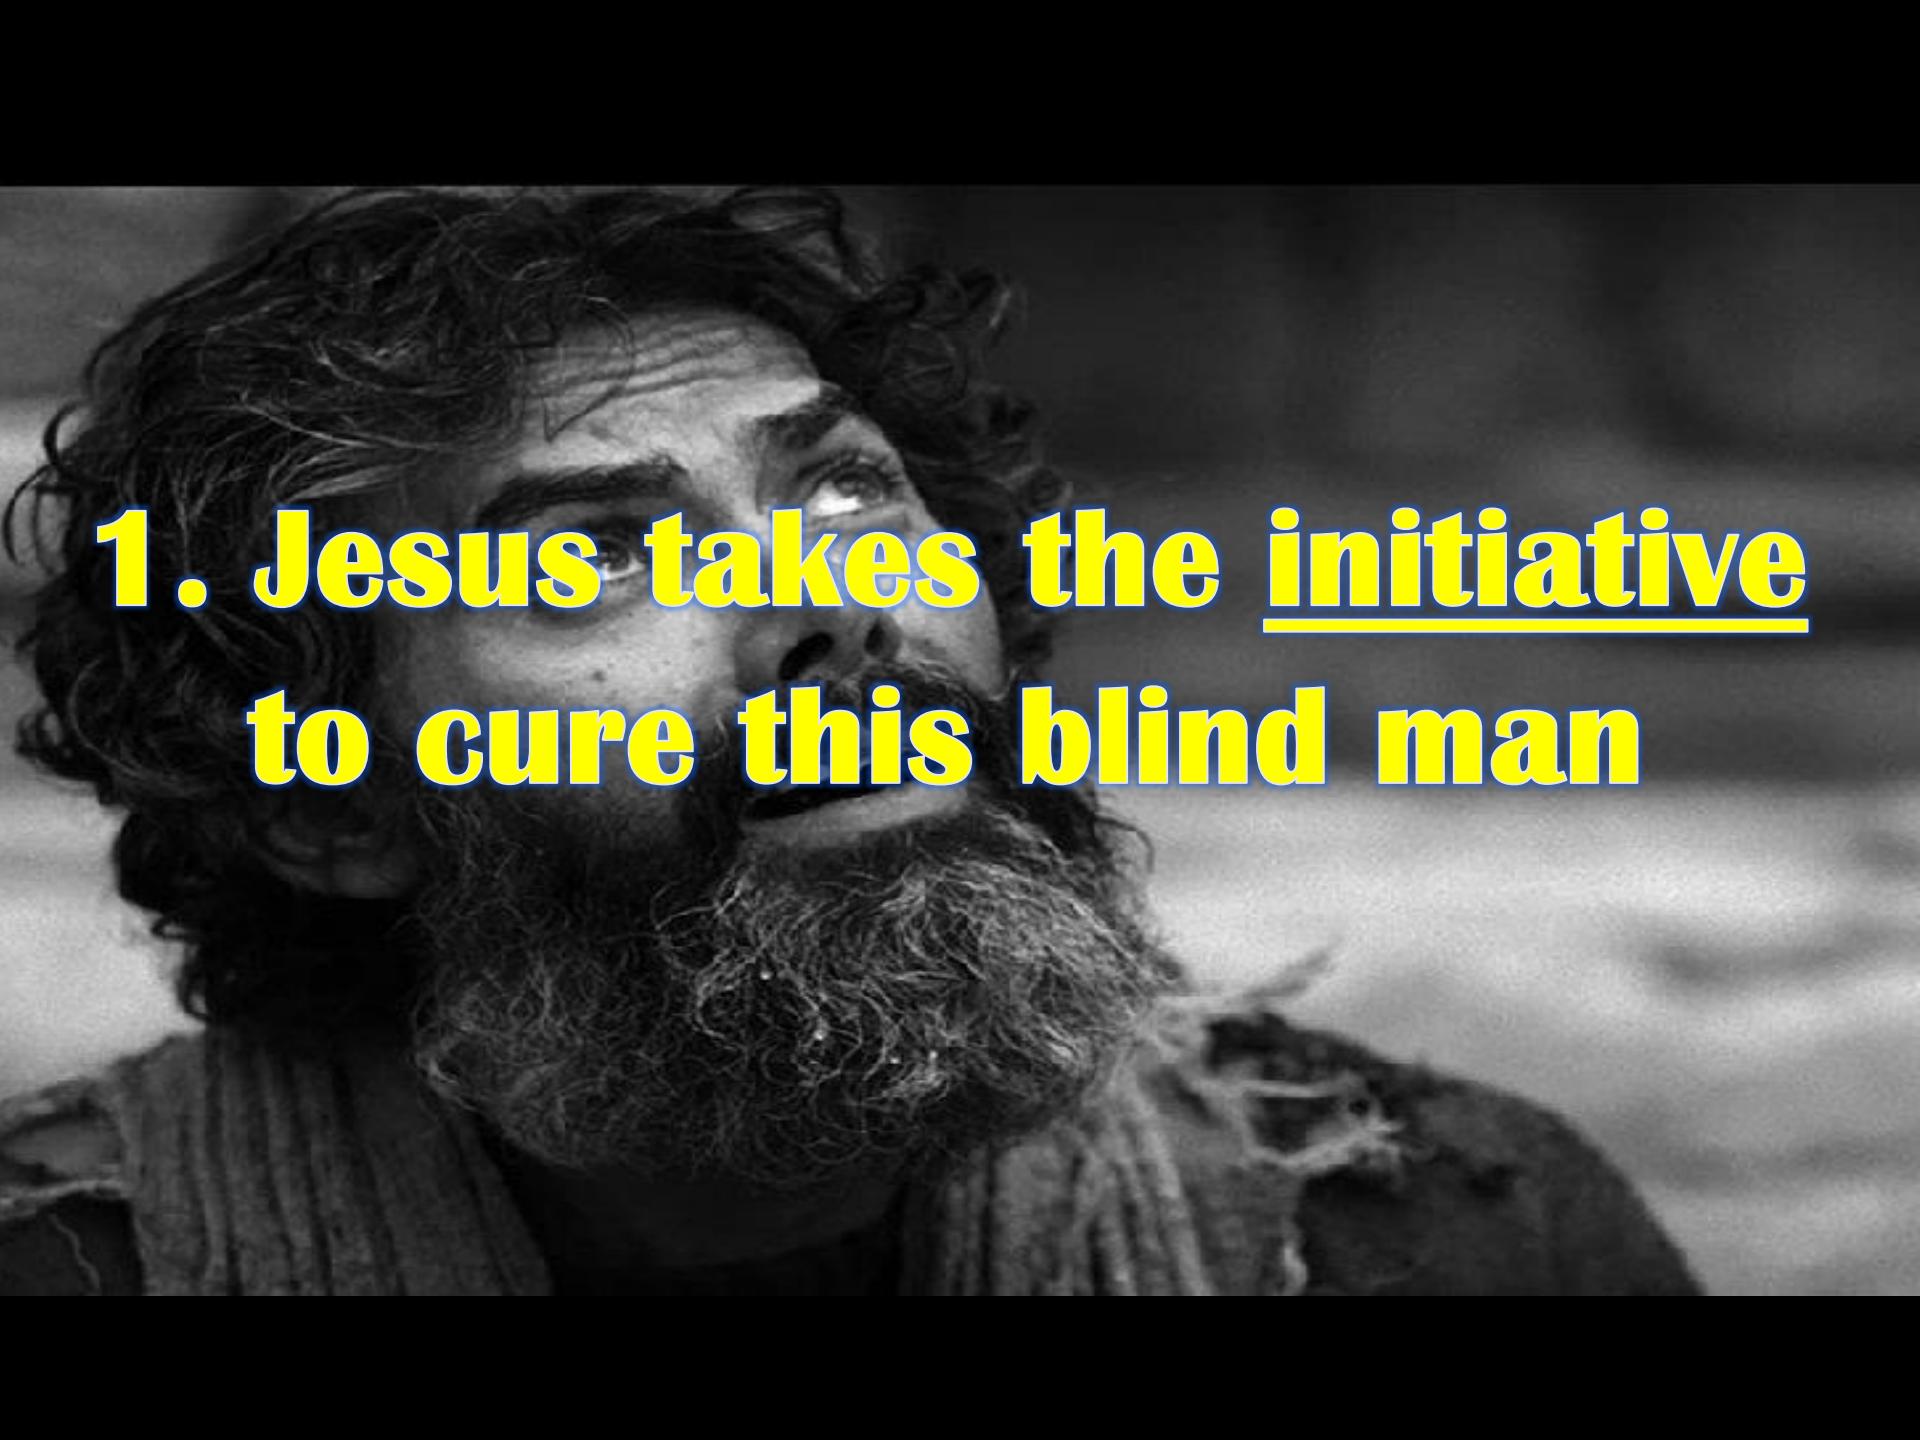

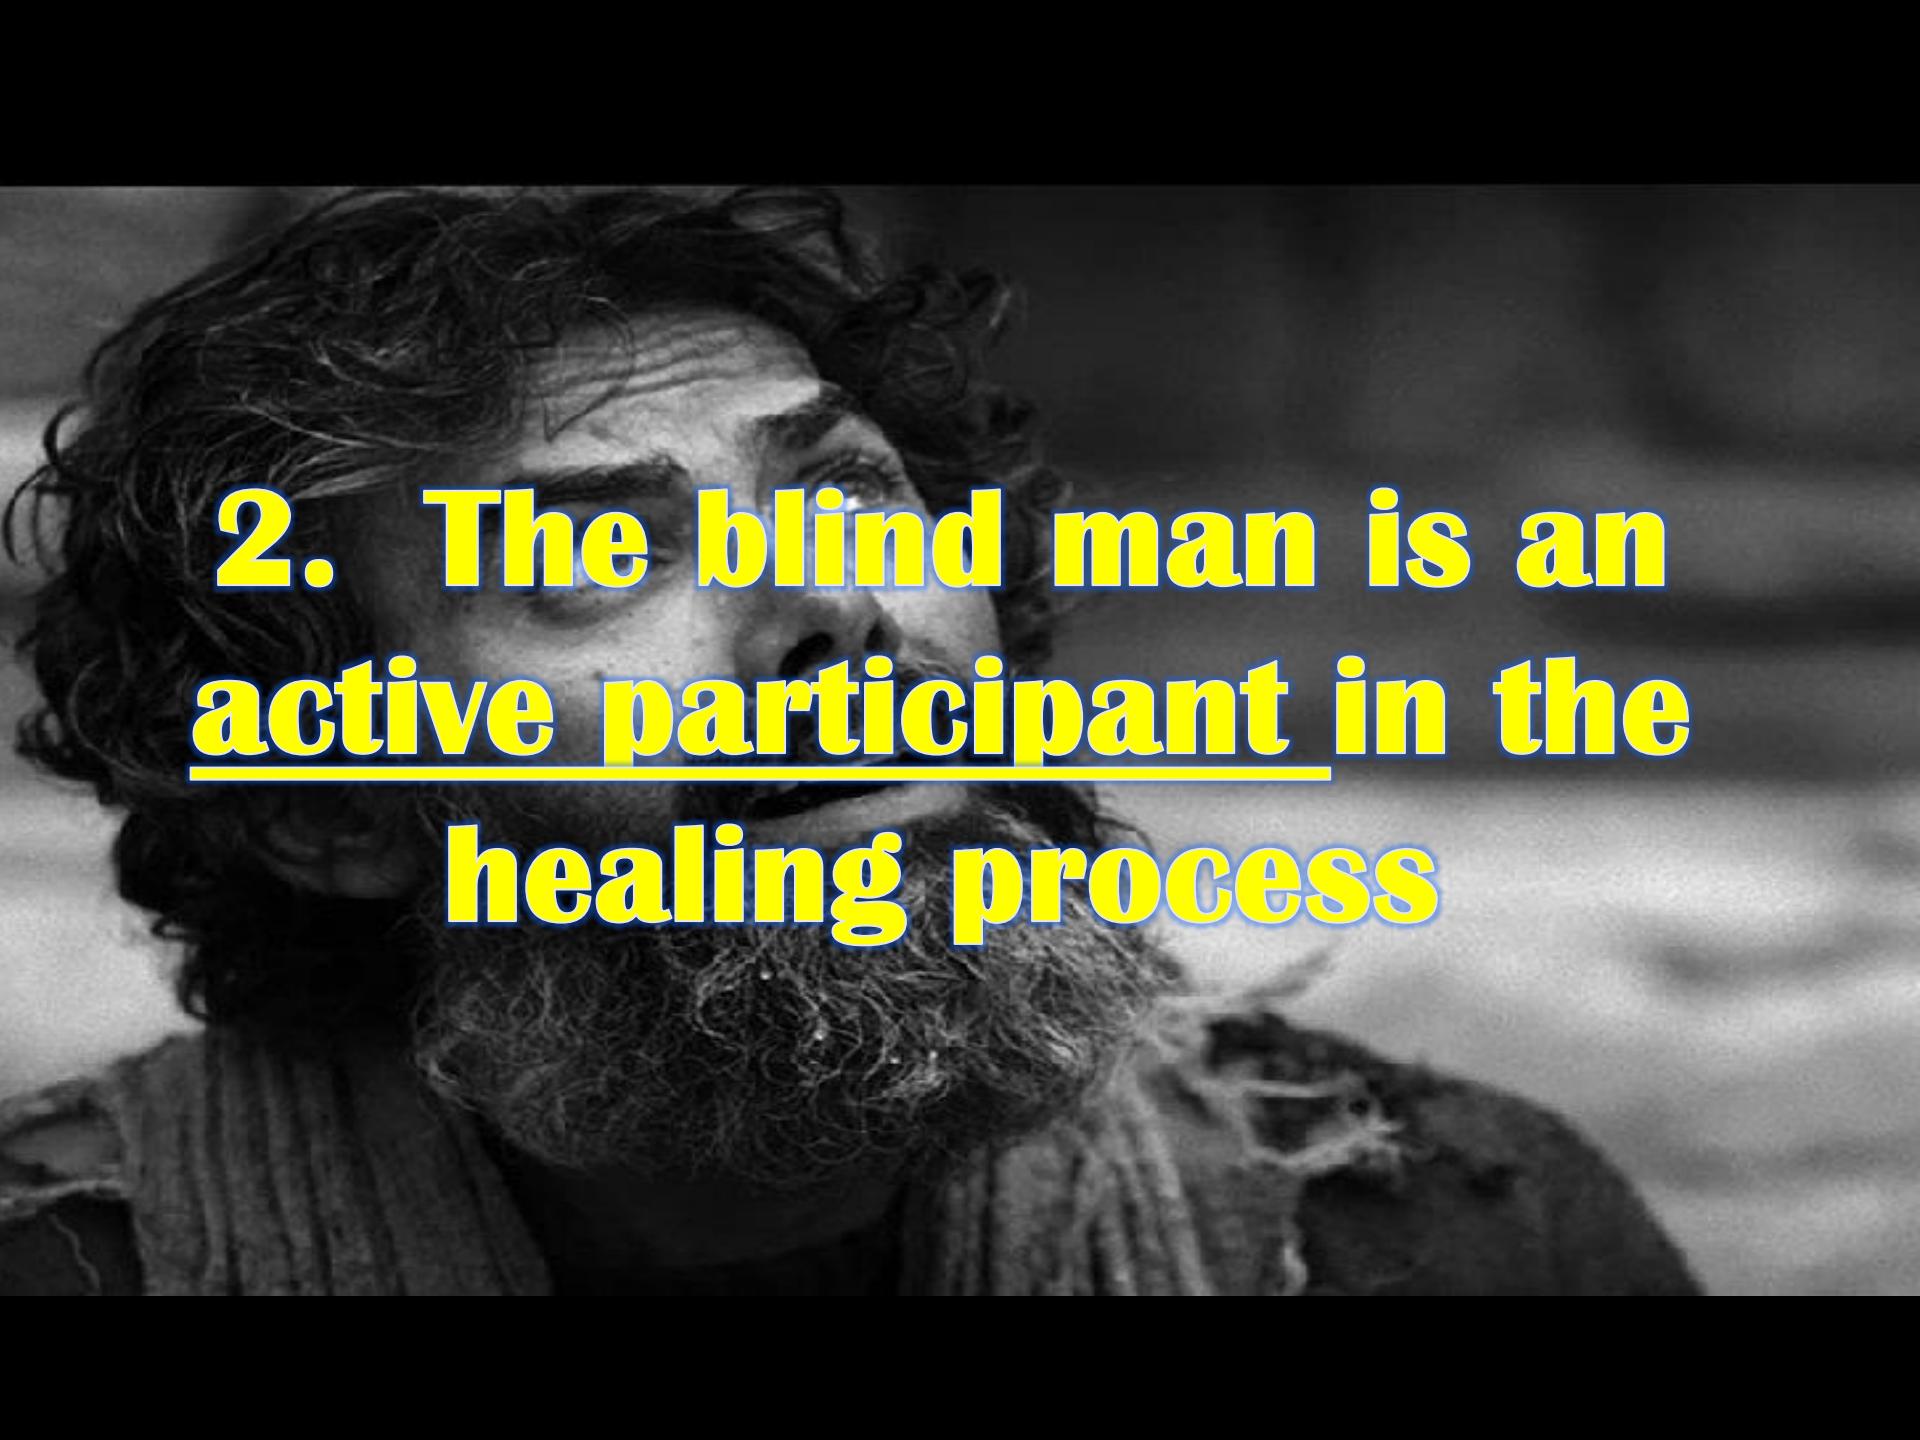

A black and white portrait of Jesus Christ. He has long, curly hair and a full, dark beard. His gaze is directed upwards and to the right, with a gentle and contemplative expression. The lighting is dramatic, coming from the side to highlight his features against a dark background.

The Nature of  
our salvation

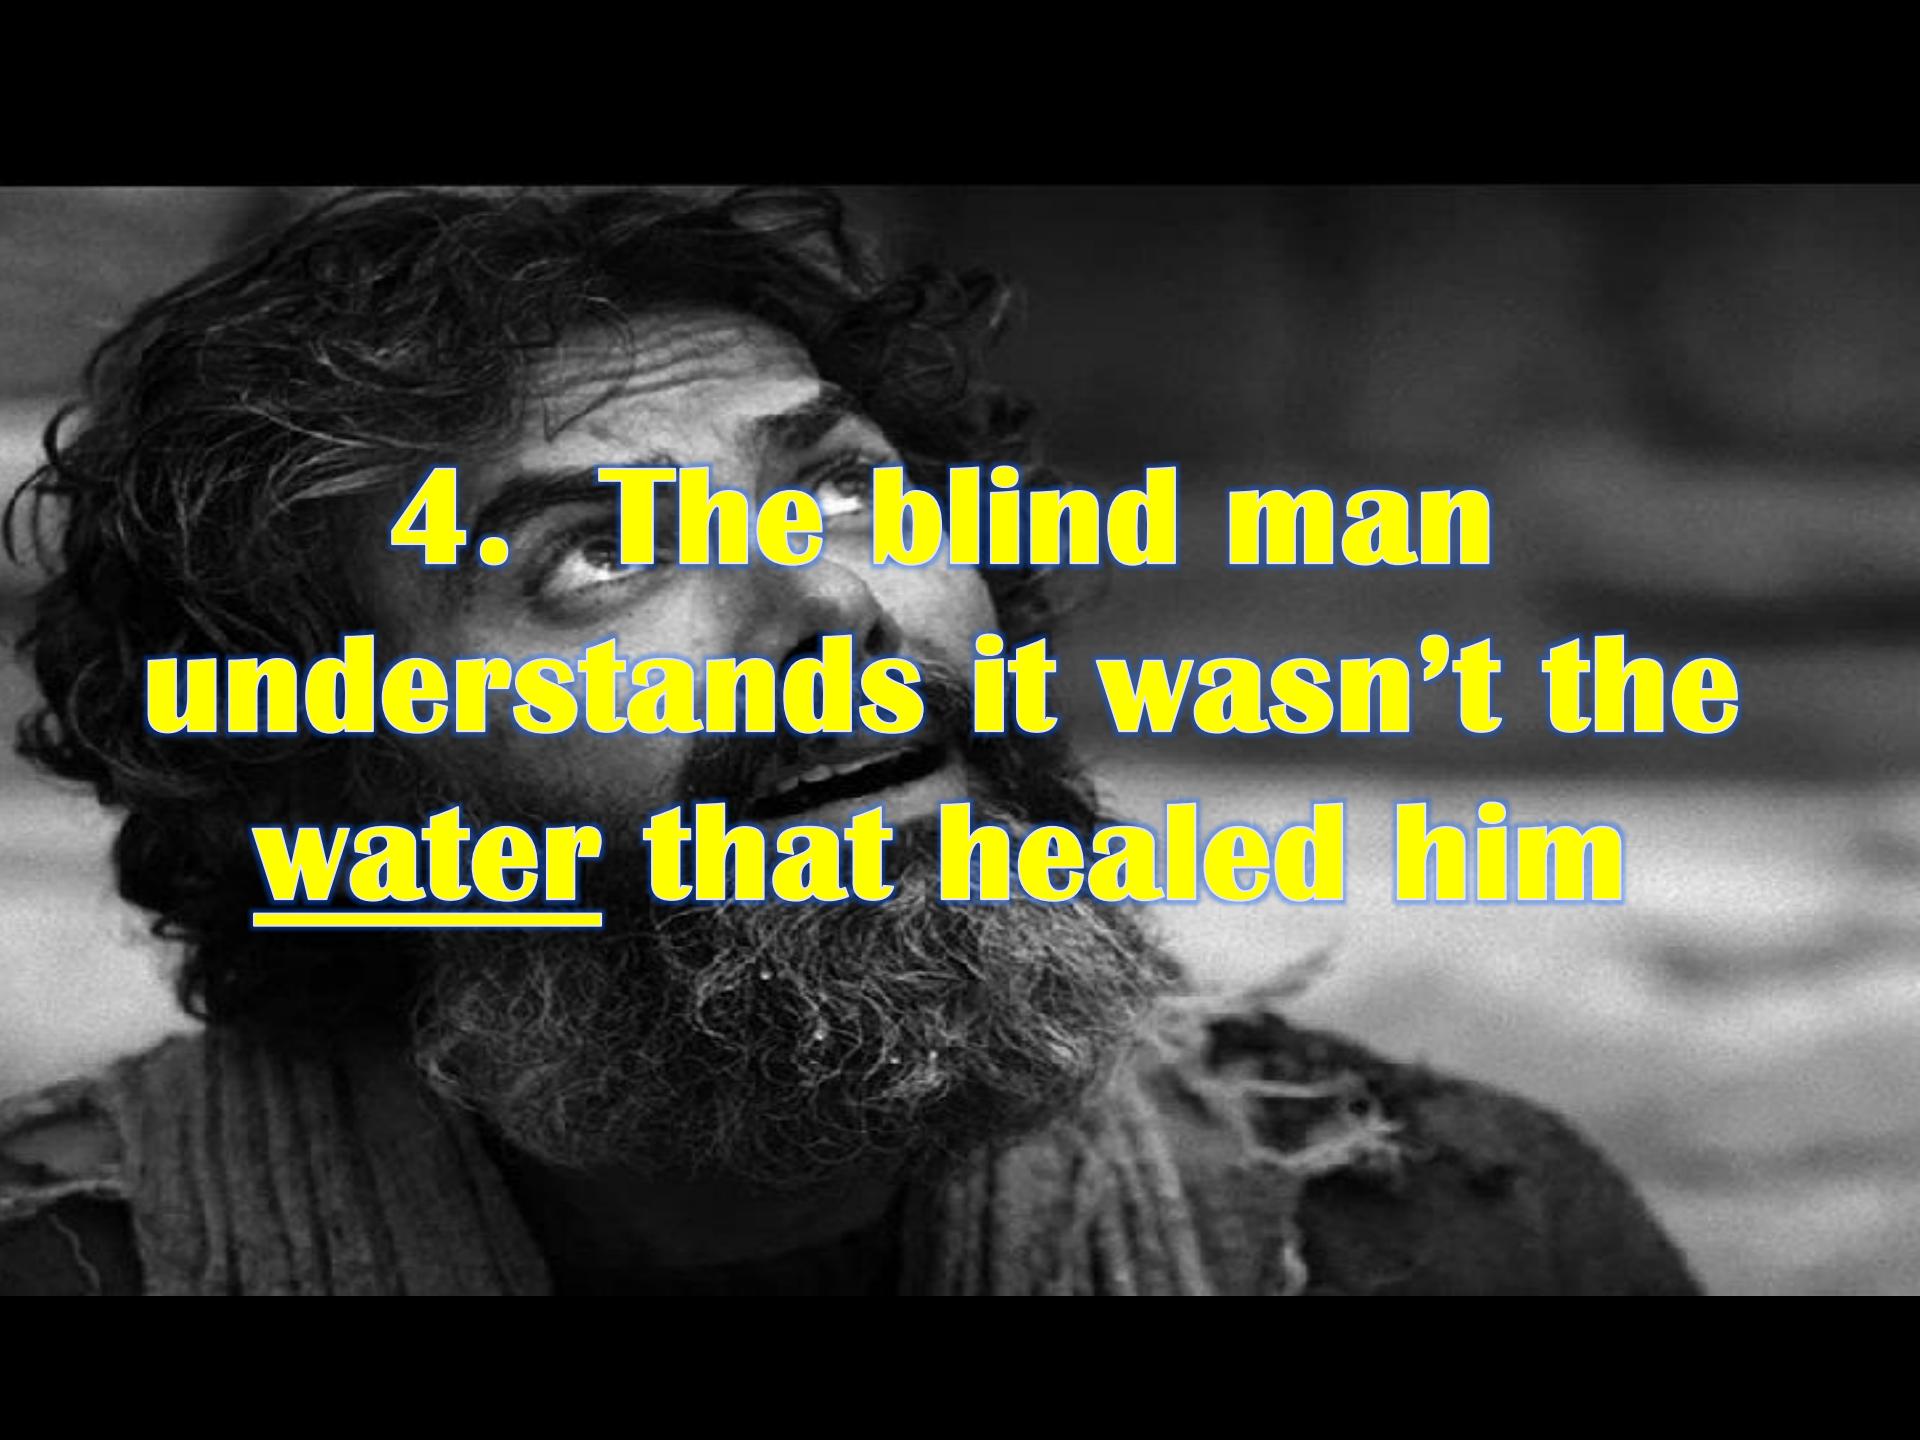

1. Jesus takes the initiative  
to cure this blind man

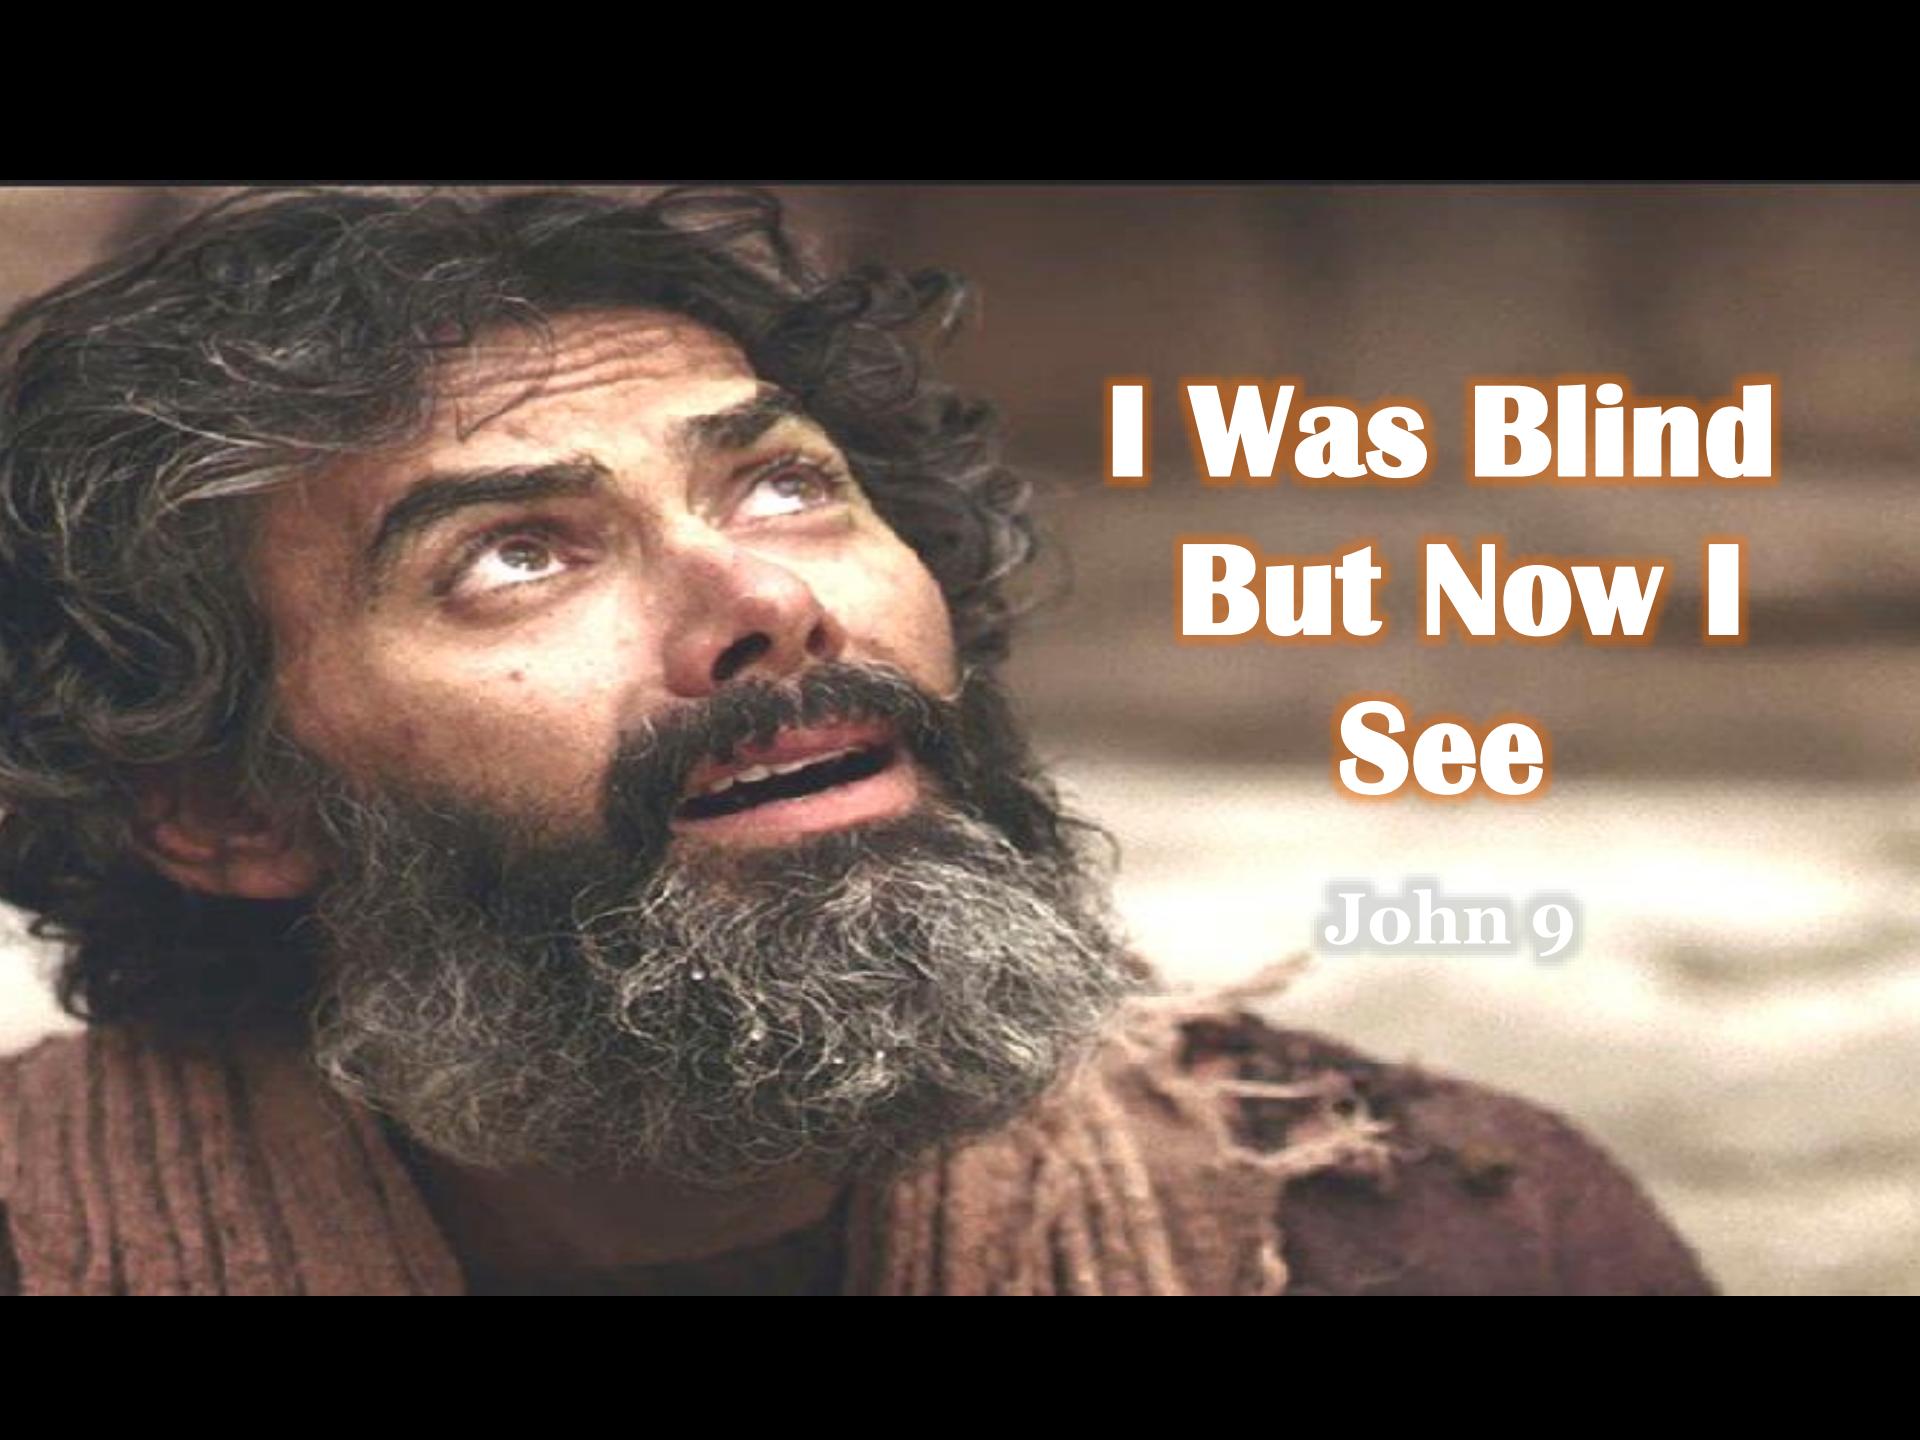

**2. The blind man is an  
active participant in the  
healing process**

A black and white photograph of a man with dark hair and a full, dark beard. He is wearing a blindfold, which appears to be a cloth or a piece of fabric tied around his eyes. He is looking slightly to the right of the camera with a neutral expression. The background is dark and indistinct.

3. The blind man had to  
wash in a pool called sent

**4. The blind man  
understands it wasn't the  
water that healed him**

**I Was Blind  
But Now I  
See**
