The Gospell off Sancte Ihon.

The fyrst Chapter.

In the begynnyng
was that worde / and that
worde was with god: and god
was thatt worde. The same
was in the begynnyng wyth
god. All thyngs were made by
it / and with out it / was made
nought / that made was. In
it was lyfe / And lyfe was the
light of mē / And the light shyneth
in darcknes / and darcknes comprehended it not.

There was a mā sent from god / whose name
was Ihon. The same came as a witnes / to beare
witnes of the light / that all men through hī mys-
ght beleve. He was nott that light: but to beare
witnes of the light. That was a true light / whi-
ch lighteneth all men that come into the worlde.
He was in the worlde / and the worlde by hī was
made: and the worlde knewe hym not.

Because ito his awne / and his receaved hī not. vns
to as meny as receaved hī / gave he power to be
the sōnes of god: in that they beleved o his name:
which were borne not of bloude nor of the will of
the flesshe / nor yet of the will of men: but of god.

And that worde was made flesshe / and dwelt
amonge vs / and we sawe the glory off yt / as the
glory off the only begotten sonne off the father.
