This month we are taking a special tour. This is a walking tour highlighting some of Downtown Tulsa's architectural treasures. Cost is only \$10 a person. Each tour is different but will typically include a visit to a lobby, a tunnel, and maybe even a oil baron's penthouse! The tour is about 10-12 blocks depending on the weather. On any given tour you'll see beautiful examples of Art Deco, Beaux Arts, Gothic Revival and Mid-Century Buildings.

April Update:

The Antique Show was a hit.

Special Guest Rob entertained us with music!

May God Bless You,
