- Note that Spring Break for most schools is March 16-March 23rd. Please make March 25th a priority to be here, since that is one week before convention and our last available practice. Also note that chorus has to practice early the first two meetings, so plan or bring your lunch accordingly.

Art Projects and Scrapbook can be worked on come and go between 1pm-4:35 in the supply room. Will need other parents to help supervise participants. Please see Misti on how you can help.

Kristy Snider has agreed to help coordinate service projects during or after some practices. Most teens have earned some of this service award from Mission Trip, but Grades 3-6 have not had that opportunity. The first service project is January 27th at Crosstown at 10:00 hosted by the high school teens. Look for more opportunities to earn this award in the coming weeks. All service projects are due February 18th.

Friday March 30th Convention begins at 7:00 pm in Rogers, AR

Please note that Scrapbook will meet at times convenient to those involved.

Sunday, February 18 all PC two events due: Advertising Design, Digital Photography, Essay, Fiction, Poetry, Spoken Word, Video Bible Drama, Bible Reading Challenge, Devotional Challenge, Evangelism Challenge, Leadership Challenge, Scripture Challenge, Service Challenge, Teaching Challenge, Worship Challenge, Banner. Misti will complete forms for all those who have done service hours since April of last year. Sean will complete forms for boys who have read scripture in public.
